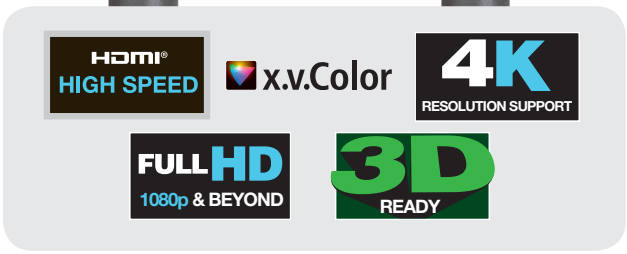
High Speed HDMI® Cable - Standard to Mini

HDMI plug to mini HDMI plug



Product Description

Connect your digital camcorder, camera or even your Smartphone with mini HDMI® port to your flat screen LCD, LED or Plasma TV, DVD recorder or other compatible HDMI device. Conforming to the latest HDMI specification, this cable allows you to enjoy Full HD 1080p output from your mobile device, even up to 4k resolution or in 3D where supported. The cable also supports x.v. Colour delivering more realistic colour reproduction from your digital camcorder or camera.

Features & Benefits

- Standard HDMI connector to mini HDMI connector - plugs into compatible digital cameras, camcorders and smartphones
- 3D Full HD 1080p from supported devices
- High Speed HDMI Cable - HDMI® certified
- Supports 4k (2160p) image resolutions and Full HD (1080p) compatible
- x.v. Colour profile support for digital camcorders and cameras
- Oxygen Free Copper (OFC) conductors minimise signal loss and distortion
- Triple shielding protects against external radio (RFI) and electromagnetic (EMI) noise
- Dual moulded colour-coded headshells for easy connection
- PVC outer jacket protects internal conductors from wear-and-tear
